

~ **Protecting our Outdoor Heritage** ~
A United Sportsmen Voice
 (Since 1995)

Our Goals...

- To unify the sportsmen and women of Washington State and provide a strong, effective voice in support of our outdoor heritage. To be the focal point of public involvement, grassroots activism, and fundraising to the benefit of all Washington State hunting, fishing, and trapping conservationists.
- With our website (w4wc.org) and social media activities we will provide a common link to our member organizations and individual members with information on how to be more effective with wildlife issues, and provide the tools to fight the animal rights extremists that seek to end all consumptive use of wildlife.

E-Mail Alert List...

- WWC alerts time sensitive information having to do with wildlife management and other outdoor activities. You will become part of the solution by being informed and having the information and tools to help get the job done.

We Need You...

- We need your voice, your numbers and all who are willing to give some of their time to help us speak and act as a united voice.
